**WE SELECT
LOCAL PRODUCTS
FOR QUALITY AND
ENVIRONMENTAL CERTIFICATION
WE CHOOSE THE BEST
RAW MATERIALS
IN OUR AREA**

RAW MATERIAL

FLOUR

Our meal come from selected stoneground wheats. We have a range of special flours with an high nutritional value as Senatore Cappelli, multigrain, spelt, barley, oats, soy, and many others

.....

SOURDOUGH

The special fermentation of our products is due to the use of sourdough, with a high digestibility and storability

.....

EXTRA VIRGIN OLIVE OIL

The extra virgin olive oil is produced in Km ZERO, with a selected local mills

98% OF OUR BASES

ARE VEGAN

Our attention to the quality, allows us to have a healthy and functional product with a superior organoleptic qualities, giving value to the recipes and craftsmanship, discovering the true and basic flavors.

For us high quality means low cost: we use natural raw materials with an high yields and, first of all:

**WE BELIEVE THAT AN HEALTHY DIET IS
A DUTY FOR ALL**

BAKERY

The bakery line is our gourmet baked idea. A raw and frozen product, whit a special organoleptic qualities. The final product will be fermented in a natural way through the sourdough.

The natural and hight quality raw materials make these products the perfect solution for bakery and restaurants.

.....

**BREAD /// STIRATE
DISCO PIZZA /// DISCO PUCCIA**

Available with a mix of different flours such as Kamut, Soy, Multigrain, Burn Grain, Spelt, Bran, Senatore Cappelli, Fiber and ingredients like Celline olives, cheeses and vegetables.

STREET FOOD

The "street food" is the perfect line for a limited space, no time, and a lot of taste!

The products are pre-cooked and then frozen, in order to avoid losing organoleptic and nutritional properties, and have a fast execution without major laboratories behind.

These original products are created for a quick break, perfect to be stuffed and eat immediately. It is a good alternative to the "classic" street food.

.....

**LA CUMMA® /// KEPAN
PANINO TONDO /// HOT DOG
PIZZELLE /// PUCCE /// RUSTICO**

Available with a mix of different flours such as Kamut, Soy, Multigrain, Burn Grain, Spelt, Bran, Senatore Cappelli, Fiber and ingredients like Celline olives, cheeses and vegetables.

GASTRONOMY

The perfect line to prepare a real grandma food.

The products are pre-cooked and frozen in order to have nutritional and organoleptic hight quality. Small portions suitable for any laboratory practical and space-saving.

In a few minutes you will have a true Puglia grandma in the kitchen with you!

.....
